**Hagie supports nutrient stewardship with 4R exhibit at Agro-Liquid's IQ Hub in St. Johns, MI**

Newt Lingenfelter, Product Development Manager; Amber Kohlhaas, Communications Manager & Alan Hagie, President & CEO, at Hagie's 4R exhibit in the IQ Hub at Agro-Liquid's facility in St. John's, MI.

Hagie Mfg. is a leading agricultural manufacturer of innovative application solutions that drive profitability, while enhancing best practices in agricultural stewardship. In our efforts to enhance awareness, Hagie is proud to be a partner with Agro-Culture Liquid Fertilizers in a special 4R display at their new IQ Hub, a 9500-square foot center for agriculture history, innovation and exploration inside their World Headquarters in St. Johns, MI. Hagie recently travelled to Michigan to participate in a special RFD-TV Nutrient Management special segment with the Responsible Nutrient Management Foundation partners that took place at the Grand Opening of the IQ Hub on September 12.

For more information about the IQ Hub, visit: [IQ Hub Information Center](#) and for more information about the Responsible Nutrient Management Foundation, visit [www.rnmf.org](http://www.rnmf.org)
