Thank you for choosing Hagie. To validate warranty coverage, if applicable, OR to register a change of ownership, this Registration must be completely filled out (in English) and submitted within 10 days of the date of delivery. This Registration will not be accepted if incomplete or falsified in any way.

PLEASE NOTE: Any applicable machine warranty coverage is not in force and effective until machine registration is completed and submitted. Information provided will be kept on file solely for Hagie Manufacturing Company's use for warranty policy administration purposes and customer notification of product safety & longevity concerns.
